REED METROPOLITAN PLAYERS
Present "Other People's Money," second day at Chautauqua.

Committee Busy Boosting Big Four- Day Chautauqua

Chautauqua is well away to a good start in this community. Let everybody boost hard for Chautauqua. This year a splendid programme is on the boards, and is one that every person in the district should hear. Help in the advertising. Be ready to buy a ticket when the ticket sellers call. Get your ticket as early as possible. This will help the committee. Several citizens are behind the scheme. But they should not bear the burden alone. Let everyone help and a good time is assured.

The old argument is again arising, "Why is a guarantee necessary. Why cannot they come on their own?" It is all a money making scheme for a few to get rich quick." This argument is only the result of careless thinking. Do you suppose for one minute that men of the class of Burnell Ford or Matthew Wayman, or artists of the class of Clifford Foote, or of the Reed Metropolitan Players, who had a big run in New York, could come to a town of the size of this for the gate receipts alone, and take a chance on a small attendance? Not for a minute. The artists are big people, and it takes money to get them. But when the Chautauqua committee can go to them and say, "Come with us for five months on the Chautauqua tour, as we can pay you a certain sum, they are then able to secure good talent. The committee can only guarantee this when the several towns themselves are willing to give a guarantee. And without this guarantee we could not get these big men. And again, it is only these big men that we want to spend time listening to. Therefore a guarantee is absolutely necessary if we are to have a high tone to the entertainments.

And think of it. EIGHT ENTERTAINMENTS for the one price of two dollars and a half.

On the first day of the Chautauqua The Clifford Foote Trio give a programme of trios, duets, solos, one act plays, and water color paintings, in the afternoon, and a short opening in the evening. The main feature of the evening is Matthew Wayman's address. Mr. Wayman is one of Canada's authors who has won distinction, and his address is especially for the farmers and business men.

Don't miss the first day.

Next week we want the children to watch this column, for the article will be for them. Watch for it, children. Chautauqua combines entertainment of a high order with lectures which inspire, uplift, and diffuse knowledge. Every day's programme is an attempt to strike a balance between these important things.

Chautauqua comes to Manitou on July 7, 8, 10, 11, dates very convenient for the farmer. The sum is so small that everyone can get it if they start to save now.

Make it a big thing in Manitou by every person for miles around being found at each performance. Meet your friends under the big tent.

Baseball Activities

Ribstone and Chauvin tied again! Tuesday last the locals in spite of the extreme cold cut across country to the neighboring burr. Ribstone was out in force to receive them and after the dust of the conflict had subsided it was found that Ribstone had won 7-6.

This makes two wins apiece one tie. Watch for the next game at Chauvin.

On Wednesday the local baseballers journeyed to Roror to encounter the winners of the Battle Hill-Prosperity game. Battle Hill proved to be the opposing team and they showed them selves to have the makings of a real ball team especially at the bat. There was much heavy hitting on both sides but the only home run of the game was made by a Battle Hill batter. Chauvin players say the ball is still going. The game ended 18-9 in favor of Chauvin.

Market For Rye

An effort is being made by the Department of Agriculture to establish a market for Alberta Rye across the seas. There is a splendid opening this year in France, Russia and other European countries and W. J. Stephens, Crop Commissioner of the Department has already written to the trade commissioners of these countries in an endeavor to secure a market for the Rye that Alberta will have to market this fall. It is estimated that there may be about 2,000,000 bushels for export this year.

Edinglassie U.F.A.

The Edinglassie U. F. A. resumed its meetings after the spring work at Thursday. A fair attendance was made by the members. Binder twine for the season was among the items on the agenda. Gordon Cunningham was appointed secretary for the balance of the term.

The next meeting of the Edinglassie U. F. A. will be held Thursday, June 22nd. It is hoped to celebrate U. F. A. Sunday at Edinglassie on Sunday June 25th.

U. F. A. Sunday

On Sunday June 18th being U.F.A. Sunday, Special services will be held at Prospect Valley at 3 p.m. and at Ribstone 7.30 p.m.

Lealolme U. F. A. Form Rescue Party

The Prosperity U. F. A. had an unique meeting last Friday evening. They had hardly got down to business when a telephone call for assistance rang in from the Holbrook farm. A prompt response was made and the company gathering together all the ropes, pulleys and blocks at their disposal hurried over, adding to their number en route.

A valuable pet mare belonging to Mrs Holbrook had fallen down a 31 foot well and was sitting neck high in the cold water. Mr Holbrook's first idea was to shoot the unfortunate animal to end its misery, but at the suggestion of Miss Edwina, they phoned to the U. F. meeting and decided to attempt the almost impossible task of extricating the mare.

After three hours of herculean labor, the mare who had done all it could to assist, was raised to the surface. Part from stiffness the mare appears to come through the ordeal in good shape.

Baptistal Service

On Thursday a Church of England Baptist service was held in the Westminster church, Chauvin.

The following children were baptised—

William Alfred Ryall, Charles William Ryall, Mary Ethel Ryall, Dorothy Agnes Helen Foreman, Margaret Beryl Saul, Gladys Marnie Cubitt, Elizabeth Edward John Cubitt, Hazel Dorothy Lang.

The service was conducted by Rev. E. Maddocks, of Edgerton. The subject of the address being, GGM text for the address being taken from St. Mark 10:14. "Suffer little child to come unto Me".

Mr. Maddocks expounded the Baptistal Covenant as being composed of two parts—God's part and man's part.

God's part consists in making us members of Christ, children of God, and inheritors of the kingdom of heaven.

Our part consists in renouncing the devil and all his works, believing the articles of the christian faith, and keeping God's Holy will and commandments all the days of our life.

Grasshoppers May Invade District Soon Says This Inspector

Frank A. Stothorne, of the Dept. of Agriculture was a visitor to the town and district last week in the performance of his duties in connection with the grasshopper campaign. He considered this district to be fortunate in having escaped an invasion so far this year. He gave a gloomy outlook for the possibility of such happening in our midst next season, and urged that every farmer kept a sharp lookout for these pests. He mentioned that at Provost and at Edgerton there were small infested areas which were being combated.

He added that some of the noxious hoppers were already in the district, asserting that they averaged one to the square yard on the railroad land adjoining Chauvin.

He further stated that a quarter of a million dollars had been spent by the Alberta government this season. 150 cars of bran and sawdust; 7 cars of arsenic; 10 cars of salt; and 10 cars of molasses had already been consumed in the course of the present campaign.

Public Health Nurse Visits Chauvin

Miss A. L. Conroy, public health nurse, paid an official visit to Chauvin last week. During her visit she made every effort to be of service to parents of children of this district. It was a handicap for her that no public notice, other than an announcement in the two churches had been given of her visit, through a misunderstanding for which the press is not to blame. Tuesday evening she gave an excellent lecture in the Sacred Heart Church which was keenly appreciated by all present.

Salt Lake Bathing Club Hold Meeting

A meeting was held at Mr. McKee's store 9 p.m. Friday June 10th to organize the above club for the coming season. Mr. McKee in the chair, and 12 interested members of last year being present.

Nominations were declared open for President.

C. C. McKee nominated G. Allan; and carried that President and Secretary be Allan was declared elected as president and took the chair.

Nominations for Secretary. H. N. Freeman nominated O. Hawthorn, and there being no further nominations he was declared elected.

Moved C. C. McKee—L. E. Roy, and carried that President and Secretary be empowered to receive all monies and transact all necessary banking business with the Bank of Montreal Chauvin, cheques to be signed by the Secretary, and counter-

signed by the President.

Nominations were then called for a committee of two to attend to all grounds were kept clean and free of rubbish.

Mr. Roy nominated Mr. McKee as one of the committee, and H. N. Freeman nominated L. E. Roy; there being no further nominations both were declared elected.

It was the unanimous decision of the meeting that all the intending bathers and campers pay to the secretary, the nominal fee of \$2.00 without delay, so that the balance after paying less could be determined and the improvements gone ahead with, also that teams be tied a considerable distance from bathing and camping grounds.

Moved by L. E. Roy; S. H. Davis that meeting be adjourned.

Personally Conducted Tour to Pacific Coast

Attractive personally conducted tour to the Pacific Coast is offered by the Canadian National Railways at a minimum of expense, for persons desiring to take an educational or recreational trip this summer.

A special train, consisting of the most modern equipment will leave Winnipeg, 1:30 p.m., June 30th, running through to Prince Rupert. Stops will be made at various points of interest on route including Watrous (Little Lake Manitoba), Saskatoon, Wainwright, (Buffalo Park), Edmonton, Jasper (National Park), take a trip to Maligne Canyon, while canoeing on Lac Beauvert, horseback riding and dancing may also be indulged in; Mount Robson; Kitwanga, an old Indian village with its many specimens of totem poles and old-fashioned graves; one of the salmon canneries; and other interesting points where special entertainment will be provided for the party.

At Prince Rupert the party will make direct connection with the S. S. "Prince George" for a side trip to tura, at a slightly additional cost, for those who may desire, or passengers may remain over at Prince Rupert, taking the boat south from there at 12:00 midnight, July 6th, for Vancouver, Victoria or Seattle, returning from Vancouver via Canadian National Railways direct, or via any other route from Seattle.

Special reduced summer excursion fares, including meals and berth on special train and on steamships, will be available for this tour.

Passengers from branch line points should purchase excursion tickets via Prince Rupert, making connections with the special train at nearest convenient point on main line—Grand Trunk Division.

Never before has such an attractive tour at such low cost been offered by any railway. For special folder outlining itinerary rates, reservations, etc., apply to any agent of the Canadian National Railways, or to—

Airlie Picnic

A pleasant time was spent at the Airlie Picnic last Wednesday. Unfortunately owing to a confliction of dates the crowd were by no means as numerous as was expected. A program of children's sports was pulled off and greatly enjoyed by the youngsters. The Ribstone baseball team came along and gave Airlie a good hard fight. Airlie drew first blood by gaining a lead of three in the first innings, which Ribstone tied in the third. The fifth innings saw Ribstone leading by three. Airlie fearing a defeat redoubled their efforts, whilst fortune seemed to go against Ribstone and the game finished 13-7 in favor of the home team.

Roros Picnic

The Roros U. F. A. are to be congratulated upon the success of their picnic on the Ribstone Creek, last Wednesday afternoon. The committee in charge had made excellent arrangements and visitors generally are reporting having had a good time. A scratch team was made up by the Prosperity folks, and a good game played with Roros. This ended in victory to the home team who met Chauvin and suffered defeat after a well contested match. Basket ball proved very popular and seems to be gaining public favor. (More details appear in our Basketball and Baseball notes).

The dance in the evening was well attended, dancing being kept up until early morning.

U.F.A. SUNDAY

Sunday next, June 18th, has been set apart for observation as Grain Growers, and U. F. A. Sunday.

This is indeed a happy conception and we commend the idea to every member of these organizations. More than this we commend the idea to everyone in our community—Grain

Growers or not. For years past we have been accustomed to observe, more or less sincerely our Thanks-giving days—and rightly so—but there is an essential difference between these two days—U.F.A. Sunday and Thanksgiving Day.

THE GRAND MYSTERY

We are surrounded by mysteries. Deep mysteries that the finite mind cannot explain by its own emotions,

it's own philosophies, or it's own scientific knowledge. Humanity is at it were facing a Great Beyond which it cannot comprehend.

To touch but briefly these Riddles: We, in common with humanity of all ages, believe we have souls capable of living after this mortal life has come to an end—but we cannot prove it by science. The most deeply studied scientist of today is the most candid person in stating that the first Grand Cause is inexplicable.

A DAWNING IDEAL

What then are the forces that save us from Agnosticism? Briefly again, a faith, partly in ourselves, partly in our fellows, and partly in a God. Granted in but a small measure such a faith, life becomes at once a higher and happier state. Hope enters and stays with us, lightening our burdens and increasing our capacities for duty and service. Our faith climbs step by step above the wreckage of our own miserable failures to conceive the ideal of a Father God comes to man and there develops a sense of personal relationship, again impressing man with a sense of imperfection and failure—finally comes the ideal of a God of Love teaching us that service to our fellows is the true expression of love.

IT'S OWN PROOF

Granted for argument's sake that none of this can be proven by pre-

sent methods of science; we must grant, equally that science utterly fails to disprove the same.

Love, on the other hand, is its own proof. It is found in all life from the lowest forms upwards. It is to be found in its varying gradations from the physical through the mental and to the spiritual. Love is the grandest emotion and supreme over all others—it beautifies all others. It is the great dynamic force in all upward movements. It leads man hand in hand toward the divine.

A DYNAMIC IDEAL

This love saves us from agnosticism. More than that it will be the active forces of love alone that will bring "Equity". Imagine, if you can, all men hailing each other as brothers because of their common fatherhood. Imagine if you can all men working for each others welfare, and distributing in fairness to all the fruits of the earth and the fruits of human labor; and you have a vision of the ideals which lead the leaders of the movement to inaugurate "Grain Growers Sunday."

AUTO DRIVING ACROSS FIELDS

Our correspondent from the North-East—more power to his pen—has again this week made reference to the pernicious practise of driving auto across fields of grain. That he should feel it necessary to refer to this matter twice in two weeks seems to indicate that the practise is not an accidental one, but is deliberate—a deliberate crime, we would define it.

YOUR TURN NEXT

Our correspondent also ask to hear more from the Chauvin people on the telephone question. Really Mr. Correspondent, it's your turn to move next. The village has made two deputations to the Alberta government, it has passed it's correspondence over to the officials of your company. The Chronicle has published the latest correspondence at this end, and dealt editorially on the question. Again, we say it's up to you. We'll give you space and gladly publish your matter.

Basket Ball Notes

On Tuesday last a team of the local girls journeyed to Ribstone to try out the newly formed team there. The Ribstone under the tutorage of Miss Dominy showed considerable basketball ability but the experience of the Chauvin girls aided them to win an interesting game by the score of 15-9.

Wednesday proved another red letter day in basketball circles. Two H.S. girl teams journeyed to the Roros Picnic to meet the teams from Park Valley and Edinglassie. In the draw the two H.S. teams fell foul of each other; the score when they untangled being 14-4 in favor of the seniors. Edinglassie and Park Valley then locked horns in the fiercest conflict of the day, Edinglassie coming out victorious. In the final contest for first money the H. S. girls defeated Edinglassie by a score of 16-9.

The girls naturally think the Roros hosts very fine people and hope they will invite them back at some future date.

Weed Campaign

A campaign against the weeds of the province is being launched on a larger scale than ever by the Department of Agriculture this year. The chief aim of the new system adopted is to complete a survey of all the districts in the province and to compile material on the best methods of eradication in each district. The weed branch now has its new weed inspectors on the job.

By an arrangement with the Minister of Municipalities, Hon. R. G. Reid, the weed branch is advising all municipalities as to the method of the department in handling the weed situation and is asking the co-operation of the municipalities in the campaign. The municipalities are being asked to put their weed inspectors into the field, under power they have in the Municipal Act, and are being asked to conduct a special survey of their municipal districts.

These municipal inspectors are being invited to a convention to be held at Olds on June 16 and 17, at which

The inspectors will be asked to give data to the weed branch of their success in eradication of the various weeds found in their districts, and to recommend methods of eradication from their experiences. This convention will be attended by Hon. Geo. Hoadley, Minister of Agriculture; H. J. Craig, Deputy Minister of Agriculture; W. J. Stephen, Crop Commissioner; and others.

Data collected by these weed inspectors when it is received by the department, will be used in the comp. of a new weed bulletin which will deal particularly with methods of eradication.

Crop Notes

The crop prospects have suffer a severe set back during the past week by reason of a heavy frost the night of June 7th followed by dry and hot weather. While this frost was general in all parts of this district there appears considerable variance of reports.

As is usual higher land suffered less and as far as can be judged the early sown crops suffered most. Dina reports the greatest damage. Generally it is conceded that the hopes for a bumper crop have disappeared; but for all that there is no reason to be discouraged, for with an early rain we can still look for a good crop.

Directors Meeting

The Directors of the Chauvin Agricultural Society met in A. E. Keith's office on Saturday June 3rd. President N. Strachan in the chair. Moved A. E. Keith, seconded W. Pettie that minutes be adopted as read. Carried.

Much discussion took place on interviewing the Municipal Council for more money.

The financial statement was read and accepted.

A letter from Mr. Galbraith was read, in which we were advised to follow the model prize list thus necessitating the answer to U.F.A.'s, that the government does not approve of group collections.

Moved E. A. Pitman—Geo. Snell, that Secretary and President be authorized to draft a letter to the Minister that they are patronizing the large fairs and small fairs are discriminated against, and request him to take the matter up. Carried.

The Society wishes Mr. Pitman to speak to Mr. McCarren re-printing signs last year and apologizing for neglect.

Moved Col. Rodden—Dr. Folkins that a letter be written to Hockey club re ticket office. Carried.

Moved Dr. Folkins—Mr. Forman, that Pres. appoint a committee to see about cost of painting. Carried.

Mr. Pitman was appointed to be the ribbon.

Secretary was instructed to see to the ribbons.

Much discussion took place on the running of the booth this year, and as the ladies seem leathe to give it into other hands, Mrs. Armour was given full power to direct things. She asked for the assistance of Col. Rodden.

The following motion was put and unanimously carried. Moved E. A. Pitman, seconded Dr. Folkins that Mrs. Armour have full charge of booth in each and every department.

Moved H. Foreman, seconded Mrs. Armour that we try to get Dan Stuart for judge for grains and ask ask Mr. Sheperley for his bill for last year. Carried.

Moved H. Foreman, seconded by Mrs. Armour that we apply for Mrs. J. McGregor Smith again as we were pleased with her services last year. Carried.

Moved Mrs. Armour, seconded E. A. Pitman that we write to Messrs. Parsons and Foxwell to see if they hold the cup or winners. Carried.

MENTION OUR ADVERTISEMENTS

Moved H. Foreman, seconded E. A. Pitman that the next meeting be on July 8th as July 1st is a public holiday. Carried.

The following were present: N. Strachan, president; Mrs. Armour 1st vice president; E. A. Pitman 2nd vice president; A. E. Keith; W. Pettie; H. Foreman; G. Snell; Col. Rodden; Dr. Folkins, directors; P. H. Perry, secretary.

Fram Grain Growers Association Meeting

The usual monthly meeting, or rather garden party shall we say, was held on Saturday evening at the residence of Mr. and Mrs. O. Scholm. Mr. A. S. Lavold presided over the meeting which was held out of doors. The minutes of the previous meeting were passed as read. When the President called for new members a very gratifying response was made. Mr. and Mrs. C. Gabrielson and Mr. Evanger were proposed as members by Mr. K. W. Coe—A. S. Lavold, Mrs. H. Johnson was sponsored by Mrs. O. Scholm and Mrs. Coe. All the applications were endorsed by the meeting. In reference to the service to be held on Grain Growers Sunday

(June 18th), the secretary said he had been able to obtain the services of the Editor of the "Chauvin Chronicle" for the occasion, and that Mr. D'Albertson suggested printing the hymns for use at the service at the same time offering to do these. Instructions were given to the Secretary to write thanking the Editor for his suggestion and kindly offer, at the same time expressing the appreciation of the Association.

It was decided that the service should commence at 2 p.m. The choosing of the hymns was, on the motion of P. Wogberg—J. H. Martin left in the hands of Mr. and Mrs. K. W. Coe.

Moved A. Gabrielson—J. H. Martin that the annual picnic of the F.G.G.A. be held on Wednesday June 21st. Carried.

The following were elected as the Management Committee:

Chairman, A. S. Lavold, Secretary—Treasurer, K. W. Coe, Committee Messadmes Coe, Scholm, Wogberg, J. H. Martin and T. Martin.

Badge Committee: Messrs C. Gabrielson, N. Evanger and A. Ostrom. It was decided to hold a special meeting Monday June 5th at J. H. Martine.

The question of travelling library was left over until the next meeting.

Thanks are due to Mr. and Mrs. Scholm for their hospitality, also to the ladies for providing lunch, after which the younger members and friends enjoyed an impromptu dance.

SPECIAL MEETING OF F.G.G.A.

The special meeting in connection with the picnic was held on Monday evening Mr. A. S. Lavold in the chair. The following business was transacted:

Junior Sports—Mrs. O. Scholm, Mrs. Lavold and S. R. Ullis.

Senior Sports—P. Wogberg, Anton Anderson.

Beght: P. Atkins, T. Thorson, Hy Ostrom, C. Anderson, and G. Snell.

Carriers—A. S. Lavold, S. R. Ullis P. Wogberg, J. H. Martin, H. Olsen and T. Thorson.

It was decided that all members will meet on the picnic grounds on Saturday afternoon (17) in order to make the grounds in readiness.

It was decided to charge 25 cents admission (children under 15 free). The picnic to commence at 11 a.m.

The Secretary was asked to write trustees of Fram School District asking for a holiday for the children of the 21st inst.

Posters were ordered to the number of 25, also 300 ribbons. A Bowers dance is on the carpet for the evening. The meeting adjourned on the call of the chairman.

Notes From North East

Quite a frost we had last week. It certainly played havoc especially with oats and garden produce.

The Chautauqua guarantors held a meeting in Brady School last Thursday evening to make final arrangements for the great shows on July 7, 8, 110, and 11, at the picnic grounds Manitou Lake. Keep these dates in mind and make it a point to be there.

As predicted, The telephone assessment is down to \$6.00 for the third quarter. We should, however, like to know more of the proposals of the Chauvin people re the telephone question. From what one hears it would mean a saving, beyond all our dreams. Put them in concrete form and let us know all about it.

The next meeting of the F. G.G.A. will be held on the call of the Secretary when he receives the final quotation for binder twine.

Don't forget the F.G.G.A. picnic on Wednesday June 21st. This should especially appeal to the Chauvin people, as it is their early closing day. A hearty invitation is extended to them, and also all neighbouring locals to be present.

More complaints of motorists driving over our crops. Surely this can be stopped. Its getting to be more than a nuisance.

"Kreso Kills Kooties" use it on your stock, use it for disinfecting stables and hen houses, use it in outhouses, use it for a healing wash for sores. Price \$1.00 per imperial quart.

Things to consider
before building

WHETHER YOU ARE BUILDING A NEW HOME or remodeling the old one, practical economy demands that you use the greatest care in the choice of materials. The time to investigate is before, not after. Our buyers have bought only the best materials under favorable market conditions, which enables us to offer to the farmers of this locality the very best lumber that can be bought, at a price that will mean a great saving.

IF YOU WANT THE BEST VALUE FOR YOUR MONEY, dollar for dollar, the most dependable and durable lumber that money can buy, the kind that is of the highest quality, and weather resisting but, withal, moderate in cost, then we would appreciate your giving us an opportunity of figuring on your requirements, for we know we can prove to you that quality for quality, dollar for dollar, we can save you money on your requirements.
